

PE:
As well-rounded, active citizens, our children will feel a sense of belonging by immersing themselves in a wide range of physical activities as well as welly walks. This term, our sessions will be guided by an external sports company. Our PE day is Tuesday.

Forest School:
We are extremely fortunate to be able to access provision for outdoor learning. We will be heading off on our adventures again this term! Our first date is 13th May. **Please ensure children come to school with appropriate clothing and footwear for these sessions.**

RE:
To begin, we will be looking at the question 'What does it mean to belong to a faith community?' We will be exploring different communities both religious and secular
In Summer 2 our focus question will be 'How should we care for the world and others, and why does it matter?'

Christian Distinctiveness:
We demonstrate our Christian Values through daily acts of collective worship, singing worship and family group acts of worship.

Spirituality - This term we will explore the big questions 'if you can't see something is it real?' and 'How big is the sky?'

English:
During the Summer term, our daily English lessons will be from Jane Considine scheme and RWInc. These sessions are really about embedding and applying the children's decoding skills and building a stamina for writing, so it becomes second nature. The phonics screening check will take place for Yr1s in June.
We will also spend time focusing on our handwriting, using our 4 Ps to ensure that the children feel confident and have the skills to work towards perfect handwriting.

Art & Design:
As artists, we will be exploring the work of Gloria Pettycare. We will be studying her Aboriginal art and discussing how her work can inspire our own work. We will learn a range of printing techniques.

Design & Technology:
As designers, our project this term our final outcome will be to make a fruit smoothie. Throughout this unit we will be looking at a range of different fruit and how we can prepare food safely.

Hazel Class Year 1 & 2 Summer Term 25-26

Music:
As musicians, we will continue to learn steel pans with Mrs Bickle will be teaching the whole class to play the steel drums.
We will also be learning Summer Show songs ahead of our performance in Summer 2.

Science:
As Scientists, we will be learning all about 'Looking after plants'. During this unit we will be using a variety of scientific skills such as: carrying out simple tests, creating suggestions from our observations, identifying, classifying and gathering and recording data.

Maths:
As Mathematicians, Year 1 and 2 will be delving into the topics: time, money, multiplication & division and position & direction. Throughout the math's lessons, we will be using our mathematical knowledge to solve problems. We will be continuing to develop the children's ability to explain, prove and show their answers in another way to develop their mastery of maths.

RHE:
As healthy, confident and resilient children, we will be learning about citizenship and economic well being.

We will spend Summer 2 making talking about transition into the next academic year. It is important the children have this time to understand the changes in September.

History and Geography:
As Geographers, we will be learning all about Australia. We will be retrieving our knowledge of human and physical features, climates and landmarks.

As Historians, we will be learning all about The Great Fire of London. We will be looking at sources and researching to gather a picture of how the fire started and how it impacted the lives of those living in London. We will learn about Samuel Pepys and Puddling Lane.

Computing: Summer 1 - Creating digital media; photos. Summer 2 - Programming B - Quizzes
