

Friday 11th September 2026

It has been wonderful to welcome the children back to school this week. They have returned happy, settled and ready to learn, making for a very positive start to the new academic year.

The school is looking lovely, and I would like to extend a huge thank you to our estates team, who have been busy over the summer ensuring our learning environment is bright, welcoming and ready for the children.

I would also like to thank Mrs Lowe, who has spent a great deal of time organising furniture, resources and displays to ensure that our new school structure is a success. Her hard work and careful preparation have helped to create engaging classroom environments and a smooth start to the term.

We look forward to welcoming you into school next week for the opportunity to look around our learning environments and meet with Mrs Lowe on Thursday. This will be a chance to discuss key information for the year ahead and find out more about the exciting opportunities planned for your children.

Thank you for your continued support. We wish you a lovely weekend and look forward to another successful week ahead.

Have a lovely weekend

Mrs Ruston

Dates for your Diary

Wednesday 16th September- Forest School

Thursday 17th September- Meet the teacher 3:15

Friday 18th September- Jeans for genes (wear a pair of jeans for a £1 donation)

Wednesday 23rd September- Crumble workshop

Wednesday 14th October - Forest School

Wednesday 14th October- Harvest Festival

October 26th-30th- Half Term

Praise assembly: Our praise assembly will be on the first Monday of every month at 2:50, the next will be held on Monday 5th October 2026.

Hope Cove

We are delighted to share what a fantastic start the children have made to the new academic year. They have thoroughly enjoyed meeting new friends, reconnecting with classmates, and settling into their brand-new classroom. It has been wonderful to see everyone return with such enthusiasm and positivity.

This week, we were lucky enough to take part in a Chocolate Workshop, where the children created their own delicious chocolate treats. They had a fantastic time learning about the process and, of course, enjoyed tasting their creations!

In our lessons, we have already begun exploring a range of exciting topics. In Science, we started our new unit on Animals Including Humans and have begun learning about the characteristics and needs of living things. In English, we launched our new writing unit and have been impressed by the children's creativity and engagement.

In Maths, we have been focusing on Place Value, developing our understanding of numbers and building strong foundations for the year ahead. During PE, the children enjoyed their first dance lesson, exploring different ways to travel and move creatively.

Our new History topic on the Anglo-Saxons has already sparked lots of curiosity, and the children are eager to find out more about this fascinating period of British history.

We are incredibly proud of how well the children have settled in and we look forward to another exciting week of learning ahead!

Attendance

Our attendance target is 98%

Our school attendance is currently 90%
